

CLINIC CARE

The Graham County Hospital Medical Clinic is operated in conjunction with the Graham County Hospital. Appointments to see the physicians employed by the Graham County Hospital must be made at the Clinic, telephone 674-2255 or 674-2193. In case of an emergency, the nurse in charge at the hospital will notify the physician on call.

HOME HEALTH

We offer nurses' home visits and rental of durable medical equipment perscribed by your physician.

MEALS ON WHEELS

Meals can be delivered to your home for the disabled and persons over 60. Billing is through the hospital business office.
